### Project Kick-Off Meeting Successfully Held in Bucharest

The consortium is pleased to announce the successful implementation of the AGRINOVA Project Kick-Off Meeting, hosted by USAMV Bucharest (University of Agronomic Sciences and Veterinary Medicine) in Romania. The meeting took place over two productive days, 23–24 March 2026, bringing all project partners together for the first time to officially launch the work ahead.

During the meeting, partners had the opportunity to connect in person, align expectations, and establish a strong collaborative foundation for the project. USAMV welcomed the consortium with warm hospitality and provided an excellent environment for strategic discussions and planning.
